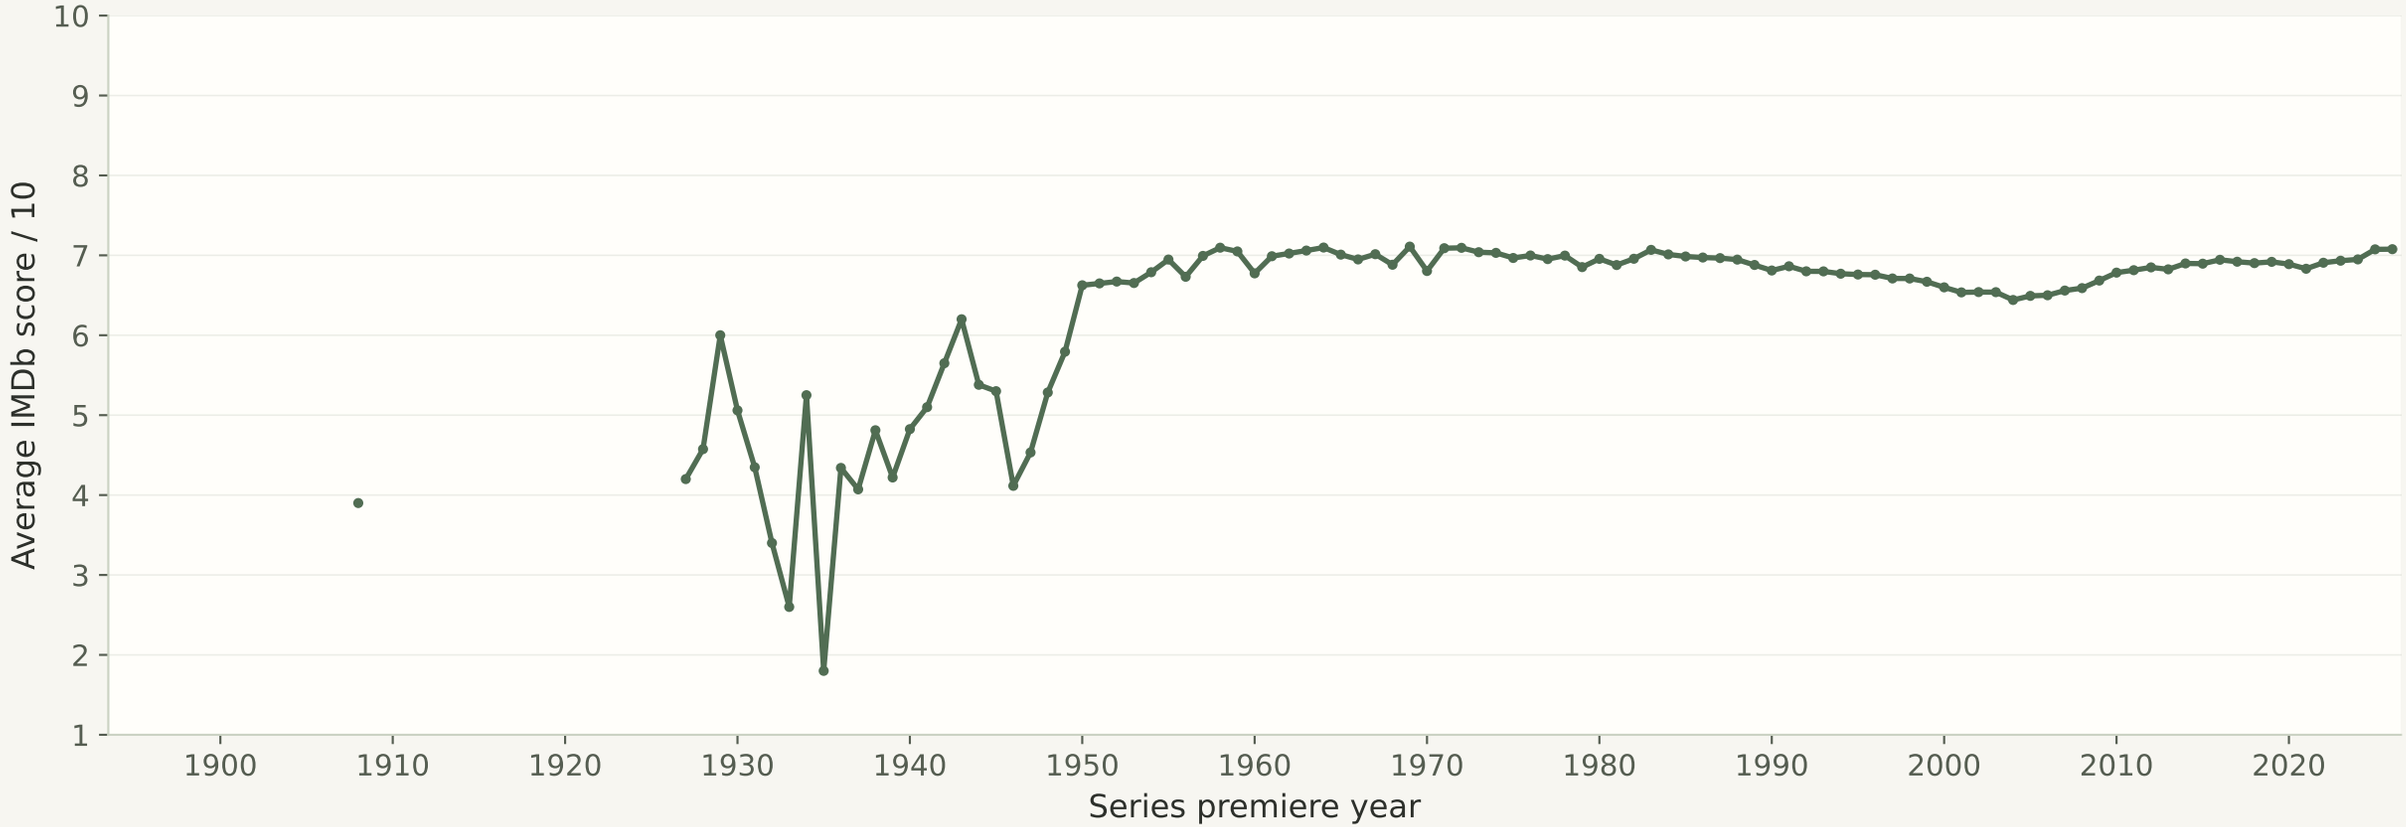
TV series & miniseries: average IMDb score by year

139,880 titles · All vote counts and ratings · IMDb snapshot: 15 October 2026



Each point = the arithmetic mean of title ratings for that year. Every title counts equally; no smoothing.

No vote weighting. Gaps = no rated titles. 33 titles lack a release year. Sparse years can fluctuate.

Non-adult movies / series / miniseries. Unrated titles, episodes, shorts and TV movies excluded. 2026 is incomplete.
